

**Rice Lake Area School District Elementary Schools
Pre-Excused Absence Request**

Date: _____

In the case of any absence, it is difficult to duplicate the classroom work at the elementary level. Our classroom learning is often activity-based, with a hands-on approach. Discussion and interaction are important pieces in the learning process. When your child is absent, we cannot duplicate the experiences that they are missing that day. Your child's teacher will send home the homework that he/she believes your child can reasonably make-up at home.

The Process for Pre-Excusing an Absence:

1. This form is submitted to the classroom teacher with the dates of absence indicated and parent's signature.
2. The teacher signs the form and indicates the date when make-up work will be sent home with the child.
3. The principal then signs the form and returns a copy to the parents.
