Dear Hilltop Families,

I am excited for the 2018-19 year to begin at Hilltop Elementary! As your child's education team, our staff and our families must work together to ensure your child is successful and has the best learning experience.

The Elementary Open House will be Tuesday, September 4th from 10:00AM-6:00 PM and will consist of 15 minute appointments where students and parents will conference with the classroom teacher. There will be opportunities to meet the other teachers and adults who work within the school. You should have received a letter in the mail with your specific appointment time and your child's classroom teacher. If you have not received this letter please contact the school office. In addition, Lifetouch Photography will be in the gym taking student pictures during Open House

The letter also included instructions for completing the online [Back to School Forms/Fees process](#) through your secure Family Access login. Please complete this process prior to the Open House. If you don't have a Family Access account, you can find information for obtaining an account on our district website under the "Skyward Family Access." Our goal this year is for 100% of our families to have and use a Skyward Family Access account. The Skyward Mobile Access App is available for use with your Smartphone to access Skyward Family Access – See our district website (Parents section) for more information.

Families are asked to also keep their contact information (address, phone, email, etc.) up-to-date so that we are able to communicate with you during the school year. This is especially important as most of our communication with parents is via [email](#). Please be sure to review your contact information in Family Access and update it as soon as it changes.

All students will come to their first day of classes on Wednesday, September 5, 2018.

We appreciate your support as we move into the new school year. Our goal is that students and families find this year safe, productive, and full of wonderful learning experiences. If you ever have questions, I encourage you to please contact me at the school.

Sincerely,

Natalie Springer
